Performance Areas

Physio Performance work place

Physio Performance has had a busy and varied 2020 year!! Thrusted into telehealth services during lockdown and a resulting busy intense sporting season post lockdown has meant physiotherapists and administration staff at the clinic have been very busy.

Julia and Emilee have joined the clinic during the later half of the year. Both graduates from Otago University and both joining Physio Performance from previous private practice clinics.

Performance Vision

Our ongoing vision at Physio Performance is to provide gold standard physiotherapy and allied health services based on :

- Individualized and effective communication, care and support for all clients
- Client service of the highest quality
- Individualised hands on treatment and functional exercise programs based on supreme integrity and quality

If we at Physio Performance can assist you and your patients in any way, knowing our vision is based on quality hands on care then contact us at the clinic.

Christmas at Physio Performance

Physio Performance will be open in between Christmas and New Year with Margie and Helen working.

Acute injury and rehabilitation bookings can be made via phone.

(03) 4772853 or online at info@physioperformance.co.nz

Merry Christmas to you all. May it be merry and joyful.

Physio Performance look forward to sharing 2021 with you all.
